**SOL FOLDER FOR GEOMETRY**

Dear Parent/Guardian,

This is my SOL Folder that I will be using to help me prepare myself for the Geometry SOL Test. I will be taking the test the month of May. Please review my SOL folder with me to see what progress I am making. **This folder is due to my Geometry teacher the day I take my SOL Test, and it will count as a TEST GRADE.**

I should follow ALL directions given to ensure the maximum possible grade is earned. I should maintain correct order of folder, answer ALL questions in each section and highlight final answers. Each assignment has the following point values:

<b>Reasoning, Lines &amp; Transformations</b>	<b>Points Earned</b>
G.1: 7 points	
G.2: 6 points	
G.3: 6 points	
G.4: 8 points	
<b>Triangles</b>	
G.5: 10 points	
G.6 & G.7: 8 points	
G.8: 9 points	
<b>Polygons, Circles &amp; 3D Figures</b>	
G.9: 9 points	
G.10: 8 points	
G.11: 7 points	
G.12: 6 points	
G.13: 5 points	
G.14: 12 points	
SOL Simulation Test: 10 points	
Parent/Guardian Signature: 9 points	
Packet on Time: 30 points	
<b>Total: 150 points</b>	

**Passing the SOL does not mean that your child will pass the class. A student must pass the class in order to receive credit for the class.**
