From the Principal's Desk

MR. CHRIS SMITH

I cannot believe that the 1st 9 weeks has ended. We are now working toward success for the 2nd 9 weeks. Please continue to communicate to your child's teachers concerning weekly lessons, grades, schedules, etc. This line of communication will help set-up your student for success.

Our weekly Wednesday Support days at Point Option are successful. It is our sincere hope that we will see your child at **Wednesday Support Day from 7:30a.m. – 11:30.m.** (Wednesday WINSday)

Report Cards will be available in ParentVue on Wednesday November 10th.

Stay Well!!!
C. Smith
