Happy December!!! We are at the half-way mark for Quarter 2. After Winter Break there are only 3.5 weeks left of the semester. Stay focused! Complete and submit your assignments, reach out to your teacher if you have questions or need support. Please consider attending our last in-person Wednesday Student Support session for 2021 on Dec 8th at Point Option.

I wish all of our VLA students, parents, and guardians a happy and healthy holiday! I hope you use this time to rest and relax to prepare for a successful 2nd semester with the Virtual Learning Academy.

Stay Well!!!
C. Smith
