MR. CHRIS SMITH

I cannot believe that we are in the month of March already! As we reach the midway point to the 3rd 9 weeks, please remember that it is important for all students to have a daily schedule and are completing their weekly assignments. The interim period ends next Friday, so please check ParentVue for up to date status concerning your child's academic progress.

I am constantly impressed by the growth that our students are showing each week. Our VLA teachers continue to work hard in providing quality instruction each week.

Please make sure that you are reviewing all of our communications in regards to SOL testing, times, dates and sites. If your student is struggling in a course, please remember that we have Wednesday Support at Point Option every Wednesday from 7:30 a.m.- 11:30 a.m.

Congratulations to all of Honor Roll recipients and we hope to expand this list this term. Please let me know if I can be of any assistance.

Stay Well!!  
 C. Smith
