*From the Principal's Desk*

MR. CHRIS SMITH

Happy Spring everyone! We are in the final quarter of the 2021-2022 school year for our students and I am very proud of the work they continue to accomplish. Our seniors are busy preparing for end of the year activities as well as working hard to complete all graduation requirements. There are only a few weeks remaining until we start SOL testing, WISE certification, and First Aid/CPR certification tests. *Please note that we do not have a virtual option for any of these exams.* Now is the time to start preparing for these exams, so please review the testing calendar closely.

**April is the month of the Military Child** and I want to thank all of our parents/guardians that represent the five branches of our armed forces. Please wear purple on **April 20th** to show support of the Military Child. April is also Student Empowerment Month as we acknowledge our wonderful student leaders at the VLA. As we enter the FINAL weeks of this school year, please do your best and Finish Strong!! We encourage you to take advantage of our Wednesday In-Person Student Support from 7:30 a.m.- 11:30 a.m. as we continue to offer resources of support for academic success.

As always, please let me know if you have any questions or concerns.

Stay Well!!!

C. Smith

### COUNSELOR'S

*Corner*

As we enter the last quarter of the school year and testing season is quickly approaching, I encourage students to explore the "SOL Review & Remediation" page in the VLA Student Support course & review resources linked in the "Counseling Office" module in the VLA Student Support course. The "Calm Corner" and "Academic Resources" may be most helpful.

All VLA students should be enrolled in this Canvas course as it is where Mr. Smith, VLA Principal, and I share important announcements.

***Please reach out via email or Calendy (icons above are links) if you have would like to meet with me about academic or personal concerns.***

**In-Person Student Support @ Point Option**

**Wednesdays 7:30am-11:30am**
