MR. CHRIS SMITH

I have very mixed emotions as I write this message. The Class of 2022 will be moving on as they will graduate a month from today. It has truly been my pleasure to lead the VLA in its initial year and I want to officially congratulate this trailblazing, innovating group of students. Please know that you will be remembered as the 1st class to facilitate your last requirements for graduation at the most innovative school in the 21st century.... The VLA. I wish you THE BEST!

It is always great to see students in the building as we prepare to conclude the school year with SOL and Industry Certification testing. We will continue testing for the next 2 weeks. Please understand that there is not a VIRTUAL option for any of these exams. Please contact us at 757-591-7408 if there is a concern that we can assist you with. This is the Interim Period and there is much work to complete. Let's Finish Strong!!  
As always, please let me know if you have any questions or concerns. Stay Well!!!  
C. Smith
