

# WHAT'S NEW WITH THE VLA THIS YEAR

NEWPORT NEWS PUBLIC SCHOOLS

## ELEMENTARY VIRTUAL PROGRAM

### TRACKING STUDENT PROGRESS

- Expect regular updates as VLA staff members monitor your student's progress.
- Expect more frequent contact from VVA teachers and VLA mentors about how your scholar is doing.

### THE VLA FOR SY24-25

- All virtual instruction will be provided by Virtual Virginia.
- Students should attend synchronous class sessions five days a week.

### ATTENDANCE

- Missed a Day? Families must notify VVA teachers of an absence and, in addition, let Point Option know by using the Submit an Absence Link on the Point Option website. This helps us keep accurate attendance records.

### HOW WE SUPPORT YOUR FAMILY

- Regular contact with scholars and families through daily or scheduled check-ins
- Virtual/In-person meetings with scholars and families to discuss progress and provide support (Pace Recovery Plans)
- Meet with scholars to set academic and personal goals
- Develop intervention and prevention strategies

### IMPORTANT CLASSROOM INFORMATION

*Daily Responsibilities:* Scholars must log into their synchronous class daily. Scholars must actively participate and submit assignments by established deadline. Scholars should also be prepared for instruction by having school supplies near by.

The VVA teacher will facilitate engaging daily synchronous instruction, Q&A sessions, 1:1 and small-group instructional time for learners during the week

### TECHNOLOGY SUPPORT

#### NNPS Help Desk

Contact info: Phone: 757-881-5461 option 3  
help.desk@nn.k12.va.us

Virtual Virginia Support  
support@virtualva.org

### TECHNOLOGY

→ *What You Need:* Make sure your scholar has an NNPS issued Chromebook with a reliable internet connection.

→ *Camera Requirement:* For synchronous and live sessions, students are **required** to have their camera **on**.
