

WHAT'S NEW WITH THE VLA THIS YEAR

THE VLA FOR SY24-25

- All virtual instruction will be provided by Virtual Virginia.
- Students may attend live sessions or complete coursework on their own schedule, accessing pre-recorded lessons and assignments.

TRACKING STUDENT PROGRESS

- Expect regular updates as VLA staff members monitor your student's progress.
- Expect more frequent contact from VVA teachers and VLA mentors about how your scholar is doing.

ATTENDANCE

- Missed a Day? Families must notify VVA teachers of an absence and, in addition, let Point Option know by using the Submit an Absence Link on the Point Option website. This helps us keep accurate attendance records.
- Login and Participation: Scholars must log in to each course before 10 pm each day. If a scholar does not log or complete work, they may be marked absent. If your child completes work after an absence is reported, contact the VVA instructor directly.

HOW WE SUPPORT YOUR FAMILY

- Regular contact with scholars and families through daily or scheduled check-ins.
- Virtual/In-person meetings with scholars and families to discuss progress and provide support (Pace Recovery Plans)
- Meet with scholars to set academic and personal goals.
- Develop intervention and prevention strategies.
- Contact your student's school counselor if you have questions about their VVA schedule

IMPORTANT CLASSROOM INFORMATION

Daily Responsibilities: Scholars must check their Canvas calendars daily and complete assignments on time. It's important to submit assignments on time, as points may be deducted for late submissions.
